

CONSULTANTS IN PAIN RESEARCH

Breakthrough Pain (BTP)!

Are you between 18
and 80 years of age?

Have you
been treated
with another
opioid
for chronic pain
for at least
3 months?

Are you currently
on opioid therapy
for
BTP episodes?

Do you experience
1 to 4 BTP
episodes per day
while on
opioid therapy?

If you are ready to take the next step and you want to participate in a clinical study of an investigational medication that may treat your BTP, ask your doctor for more information or contact CPR at (210) 826-8896

You can also write an inquiry to rstine@cipm.com

You do not have to be a patient of Consultants in Pain Medicine to participate in this study, but you will be required to release your current pain doctor's information.
